

Modular design that can accommodate a wide range of wattages for street and area lighting applications. EncapLED module with patent-pending heat sink and optic design achieves high efficacy and precise light distribution. Ideal for street lighting, parking lot and auto dealership applications requiring high lumen output.

Feature Highlight

- Lumileds Luxeon TX chips
- Up to 120 lm/W efficacy at 5000K
- Patent-pending EncapLED module for superior cooling and durability
- Wide range of wattage selections from 30W to 560W at 700mA
- Light weight aluminum housing
- CETL/CUL, ROHS, IP65 rated and DLC Premium
- Five year warranty standard, ten year optional

Optical Specification

- Color temperature from 2700K to 6000K
- CRI 70
- Type II, III and V

Mechanical Specification

- Adaptor options for installations
- Aluminum & Stainless Steel Hardware
- Finishes: Bronze, Black, Silver, White

Environmental Specification

- IP65
- Operating Temperature: -40C - 55C

Electrical Specification

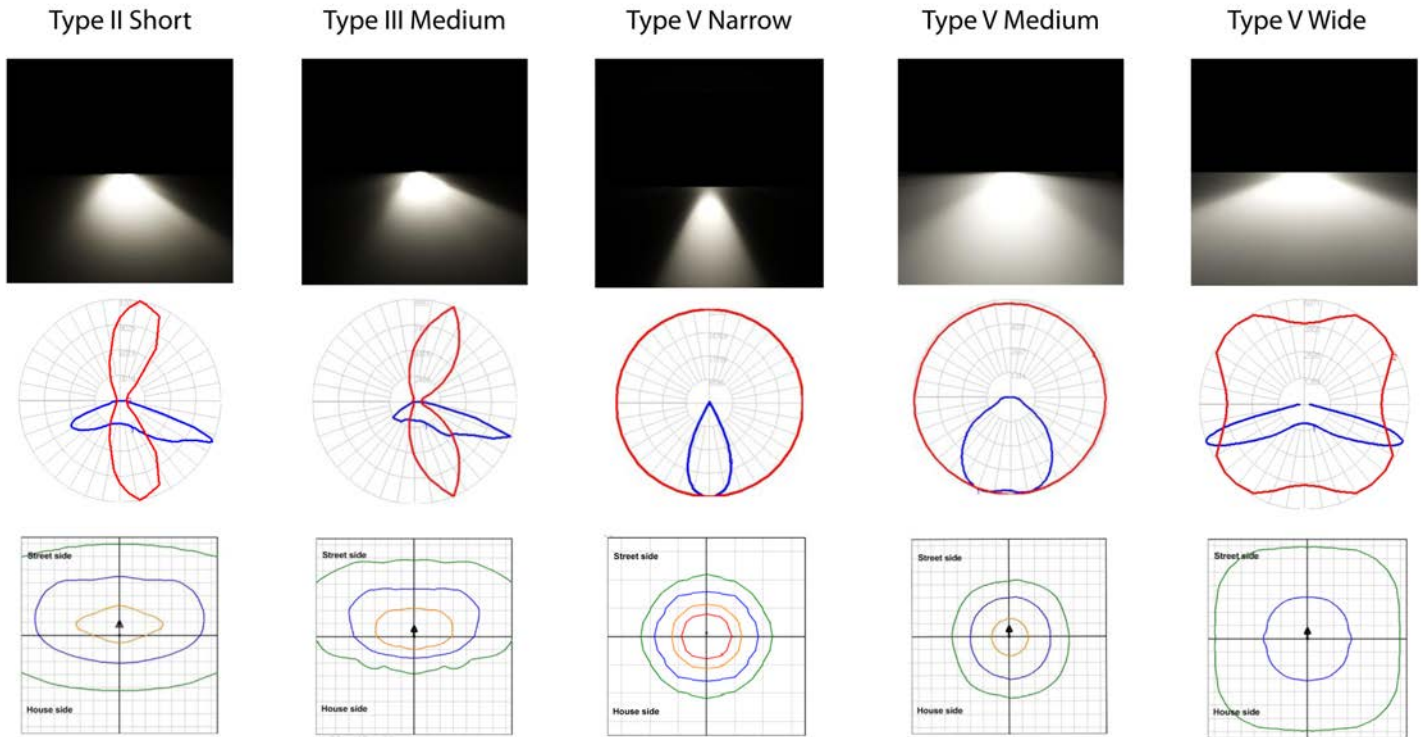

- Power input: 120-277V, 347 or 480V optional
- Power factor >90
- Additional Surge Protector Optional
- Optional for 0-100% dimming, motion sensor or MeshSmart wireless control to optimize energy savings with automatic scheduling

Item	Lumen G1	Lumen G2	Lumen G2	Replacing
Current	700mA	700mA	1000mA
